QUESTION

What structure is shown here?

Image by: Paul Kim
Download from: www.aghalibrary.com

Telegram : @NotesForMedz

ENGLISH

Trapezius muscle

LATIN

Musculus trapezius

ORIGINS

External occipital crest, Nuchal ligament, Spinous process C7-T12, External occipital protuberance

INSERTIONS

Acromion, Clavicle, Spine of the scapula

INNERVATIONS

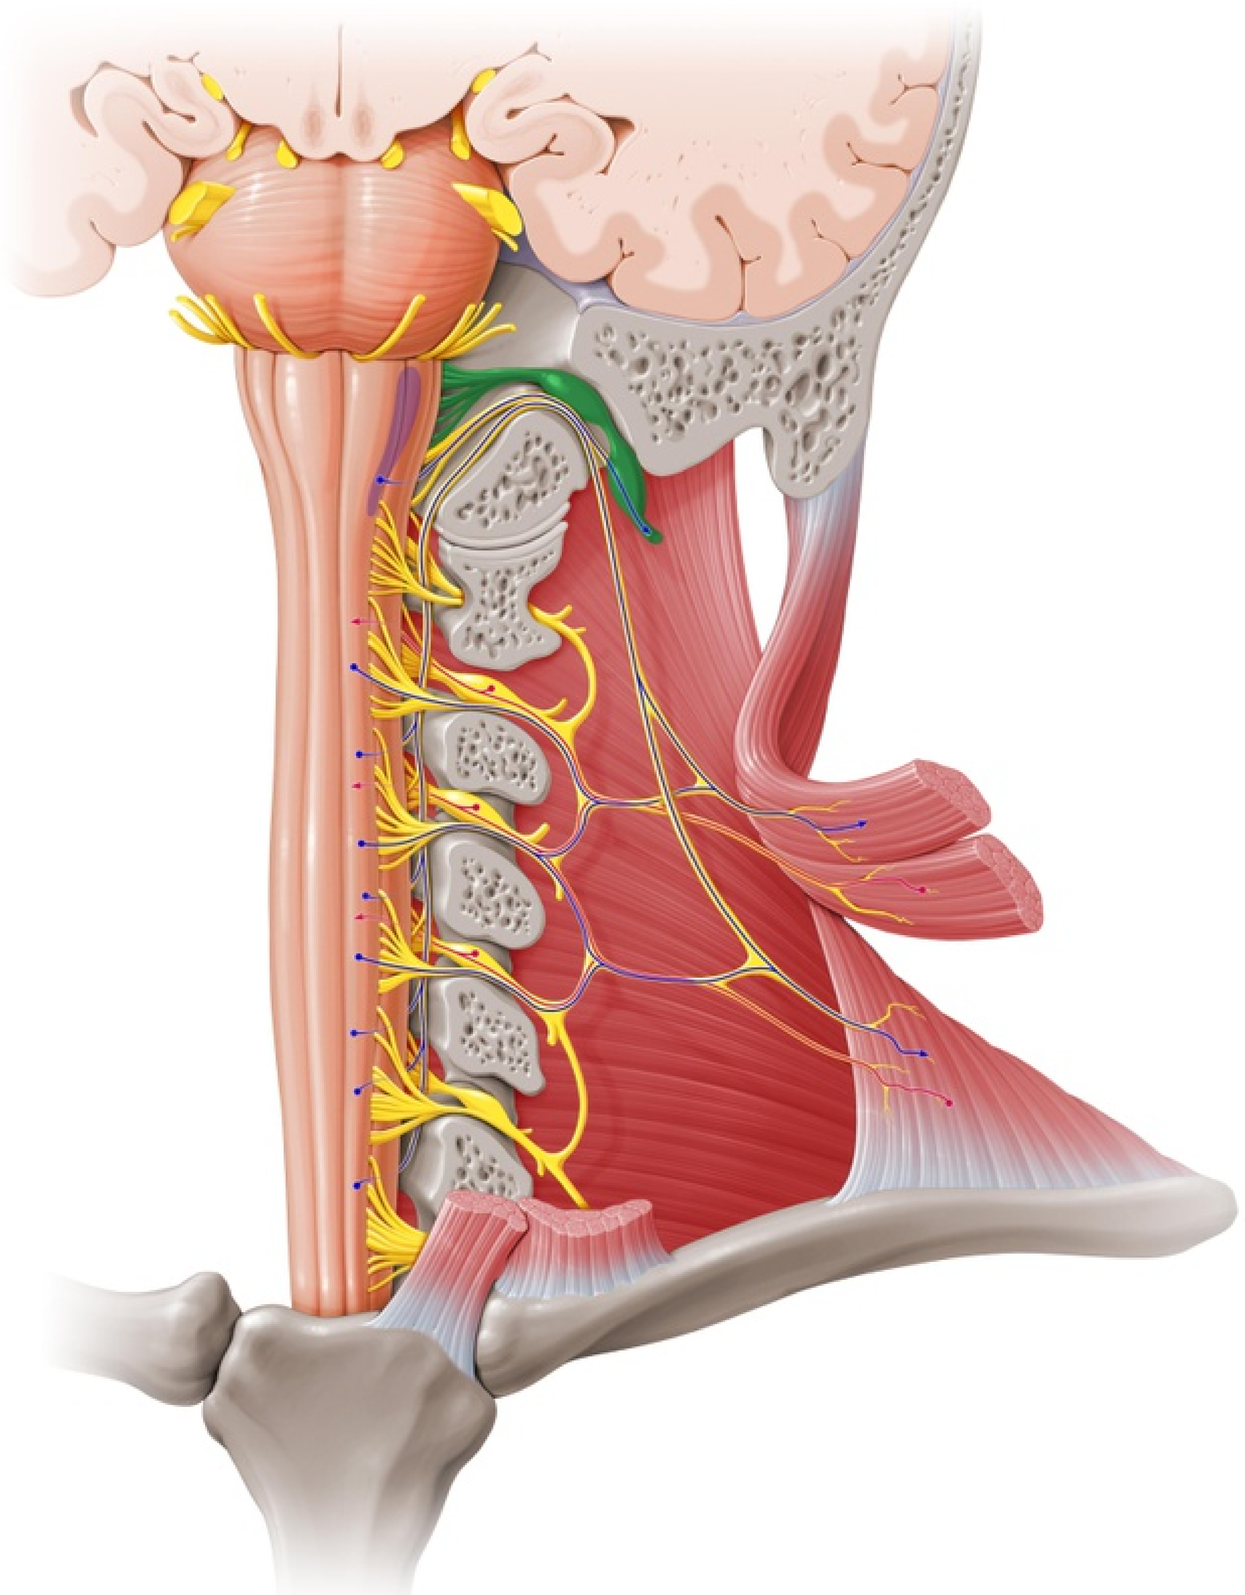

Spinal nerves C3-C4, Accessory nerve

FUNCTIONS

Elevates the scapula, rotates the scapula, retracts the scapula, bends laterally the neck

Image by: Paul Kim
Download from: www.aghalibrary.com

Telegram : @NotesForMedz
